

TAKE IT: Take one sachet of Pollen Boost once a day, preferably in the morning, dissolved in water.

ABOUT POLLEN BOOST:

Pollen Boost is a unique blend of natural ingredients designed to enhance your energy, well-being, and overall health.

KEY BENEFITS:

- ✓ *Increases energy and alertness.*
- ✓ *Promotes mental and physical health.*
- ✓ *Supports weight loss and boosts metabolism.*
- ✓ *Provides antioxidant protection and slows down cellular aging.*
- ✓ *Contributes to detoxification and liver health.*

WHY POLLEN BOOST?

POLLEN BOOST With a combination of vitamins, antioxidants, and plant extracts, our product offers multiple benefits for your body and mind.

INGREDIENTS:

B Complex Vitamins: Maintain brain and heart health, aid in DNA formation, and regulate energy.

Gluconolactone: Provides a feeling of overall well-being.

Caffeine: Reduces fatigue, increases alertness, and decreases reaction time.

Inositol: Improves mental health, regulates blood glucose, and fat metabolism.

Melon Powder: Main source of SOD (Superoxide Dismutase), a powerful antioxidant against cellular aging.

Green Tea: Boosts metabolism and aids in weight loss.

Pollen: A natural energizer that stimulates brain activity and enhances physical performance.

Beet Powder: Provides essential minerals and maintains a healthy liver.

Raspberry Ketones: Activate metabolism, suppress appetite, and aid in fat burning.

Collagen: Slows down cellular aging, especially of the skin.

Glutathione: Detoxifies cells, regulates the immune system, and protects against oxidants.

Allulose is 0 net carbs.
It is a carbohydrate but it is not metabolized by the body and does not affect blood sugar.

3G - 2G = 1G
