

iNPOWER™

– iEvolution®

### ABOUT INPOWER COFFEE

Is an “instant” soluble coffee that contains beta-glucans from Ganoderma lucidum, a functional ingredient known for its multiple health benefits. The beta-glucans are obtained through a precision fermentation process of the Ganoderma lucidum mushroom, followed by spray drying along with maltodextrin and fiber.

### BENEFICIOS:

- ✓ Immune System Stimulation
- ✓ Antioxidant Properties
- ✓ Reduces Stress and Improves Mood
- ✓ Cardiovascular Support
- ✓ Improves Digestive Health
- ✓ Increases Energy with Less Dependence on Coffee
- ✓ Anti-inflammatory Properties
- ✓ Support in Preventing Chronic Diseases

### ADVANTAGES:

**iNPOWER COFFEE** not only focuses on providing the necessary energy for the day, like any coffee, but it is also a thermo-stable coffee that maintains its properties even at high temperatures with 100% natural ingredients. It contains less than 1% fat and protein, making it a low-calorie option for consumers.

### WHY INPOWER COFFEE?

**iNPOWER Coffee** has an innovative formula that combines the benefits of coffee with beta-glucans from Ganoderma lucidum to offer a beverage that not only provides energy but also improves the overall health of the consumer. With a betaglucan content of 70%, this coffee helps strengthen the immune system, improve digestion, and maintain a lowcalorie intake.

### INGREDIENTES:

**Betaglucans from Ganoderma lucidum:** Betaglucans are bioactive polysaccharides extracted from the Ganoderma lucidum mushroom, known for their immunomodulatory properties. Betaglucans help stimulate and regulate the immune system, improving the body's response to infections and diseases. Additionally, they can help lower cholesterol and blood sugar levels and possess anti-inflammatory properties that support cardiovascular and metabolic health.

**Coffee:** The caffeine from coffee beans acts as a natural stimulant that blocks adenosine, a neurotransmitter that induces sleep, thereby increasing energy levels and reducing fatigue. It enhances concentration, memory, and mental alertness, promoting better cognitive performance. The presence of antioxidants, such as polyphenols, helps protect cells from oxidative damage.

## SUPPLEMENT FACTS

Property	Specification
Total Fat (%)	< 1.0
Protein (%)	< 1.0
Carbohydrates (%)	> 90
Fiber (%)	> 8.0

**INGREDIENTS :** Instant coffee, Betaglucans from Ganoderma lucidum, Corn Syrup Solids, and Polydextrose.
