

TAKE IT: In the morning
DOSAGE: Adults: Add one scoop (11 g) to a glass (8 oz.) of water or your favorite beverage.

About 365 Power and Performance Daily Multivitamin:

Is a combination of vitamins, minerals, amino acids, prebiotics/probiotics, enzymes, over 50 superfoods, mushrooms, antioxidants and specially chosen herbal blends to give your body what it needs to meet the challenges of the day.

BENEFITS:

With over 100 ingredients, **365 Power and Performance Daily Multivitamin** is one of the most complex multivitamin blends on the market today, providing benefits such as:

- ✓ **Antioxidant**
- ✓ **Increased energy**
- ✓ **Performance Enhancement**
- ✓ **Bone strengthening**
- ✓ **Strengthens heart function**
- ✓ **Improves circulation**
- ✓ **Optimizes the immune system**

BENEFITS:

- ✓ **More than 110 nutrients**
- ✓ **High antioxidant power**
- ✓ **Prebiotics, probiotics, amino acids and enzymes to support digestion**
- ✓ **Contains natural ingredients**

WHY 365 POWER AND PERFORMANCE DAILY MULTIVITAMIN?

365 Power and Performance Daily Multivitamin has just about everything you need:

365 Power and Performance Daily Multivitamin it contains macrobiotic fermented superfoods that are organically grown throughout Asia and feature a combination of over 50 fruits, vegetables, legumes and whole grains. These ingredients are blended and fermented for maximum nutritional and prebiotic value. It provides over 50 organic ingredients to your nutritional needs like no other source can, with a complete vitamin and mineral profile.

It encompasses energy and health, improves performance, protects against diseases and strengthens the functions of organic systems. It has the vitamins indicated for optimal cellular, functional, protective and energetic development.

Vitamin C: Powerful antioxidant, helps protect our body from free radicals that cause oxidative stress.

Vitamin A: Helps in the maintenance of soft and bone tissues, teeth, skin.

Magnesium: Helps in the maintenance of bones and blood glucose levels.

Vitamin D3: Helps in the correct maintenance of the bone system.

Calcium: Forms and maintains strong bones, collaborates in muscle movement and nerve transmission, helps blood circulate and release hormones.

Vitamin B6: Produces antibodies, maintains healthy neurological function, helps in the production of hemoglobin, in the breakdown of proteins and regulates the level of sugar in the blood.

Zinc: Necessary for the functioning of the immune system, collaborates in blood coagulation, maintenance of vision and thyroid function.

Biotin: Contributes to hair and skin health, improves cognitive function and optimizes energy metabolism.
