WHY ROYAL COFFEE GOURMET?

Royal Coffee Gourmet has the ideal formula to provide energy to the body, enhance cognitive activity and improve performance while helping the digestive process, protecting brain function, strengthening the immune system and regulating blood lipid levels.

INGREDIENTS:

Ganoderma Mushroom: Helps strenghten and regulate the immune system, has anti-inflammatory properties, and protects liver function.

Vitamin B6 (as pyridoxine hydrochloride): Contributes to proper brain development and function, helps maintain a healthy immune system, helps reduce blood homocysteine levels, a risk factor for heart disease.

Ginseng Extract: Improves energy levels and reduces fatigue, helps improve memory and the ability to concentrate. Helps reduce stress levels and improves mood.

Fulvic Acid: Helps eliminate toxins from the body, facilitates the absorption of vitamins and minerals in the body, promotes a healthy environment for beneficial bacteria in the intestine.

Black coffee: Contains caffeine that improves energy levels and reduces fatigue, increases concentration, alertness and memory, protects cells from damage caused by free radicals, and helps increase metabolism and burning fat, increases adrenaline, improving performance during exercise.
