WHY ROYAL COFFEE LATTE?

Royal Coffee Latte On the Go combines freeze-dried coffee and milk powder with functional ingredients that not only provide a rich and creamy coffee experience, but also offer health benefits. Ganoderma and ginseng extracts, along with probiotics and fiber, work in synergy to improve your energy, digestive health, and overall well-being.

INGREDIENTS:

NFDM Powdered Milk: Provides proteins and benefits typical of milk, being a fat-free option (Non-Fat Dry Milk).

Freeze-Dried Coffee: Preserves the organoleptic characteristics of conventional coffee, providing the same benefits of energy and alertness.

Allulose: Natural sweetener that is not metabolized in the body, avoiding alterations in the glycemic index.

Agave Inulin: Soluble fiber that improves digestion, relieves constipation, and acts as a natural prebiotic.

Lactobacillus Acidophilus: Improves the absorption of nutrients and regulates the intestinal flora, maintaining the balance of microorganisms.

Ganoderma Extract: Provides multiple benefits, including antioxidant, immunoregulatory, hepatoprotective, antidiabetic, antibacterial, antiviral, hypocholesterolemic, antihypertensive activity and improved sleep quality.

Ginseng Extract: Increases energy, physical and mental performance, and resistance to stress and aging.

Sucralose: No-calorie sweetener.
