

ABOUT OMG-3

Omega 3 with Astaxanthin is an advanced formula that combines essential fatty acids with a powerful antioxidant, providing benefits for the heart, brain, skin, and eye health. Its high EPA and DHA content helps reduce inflammation, improve circulation, and strengthen the immune system, while Astaxanthin protects against oxidative damage and promotes cellular regeneration.

BENEFITS:

- ✓ Cardiovascular protection.
- ✓ Powerful antioxidant.
- ✓ Improved eye health.
- ✓ Healthy skin & sun protection.
- ✓ Immune system boost.
- ✓ Anti-inflammatory effect.

ADVANTAGES:

Thanks to its purity and refinement, this supplement is free of contaminants and heavy metals, ensuring a safe and effective intake. Its high bioavailability guarantees that the nutrients are efficiently absorbed, maximizing their benefits in the body and promoting faster cellular recovery.

WHY CHOOSE OMG-3?

This supplement is the ideal choice for those looking to strengthen their heart, enhance cognitive function, and protect their skin from premature aging. The combination of EPA, DHA, and Astaxanthin makes it a powerful ally against oxidative stress, helping to reduce inflammation and maintain optimal cellular function. Its advanced formulation sets it apart from other Omega 3 products by incorporating Astaxanthin as a natural cellular protector and anti-inflammatory, providing additional benefits for eye, immune, and joint health.

INGREDIENTS:

Fish Oil (Omega 3): Rich in EPA and DHA fatty acids, essential for cardiovascular, brain, and joint health.

Astaxanthin: A powerful natural antioxidant that protects the skin, eyes, and brain while fighting inflammation.

Eicosapentaenoic Acid (EPA): Helps reduce inflammation, protects the cardiovascular system, and supports lipid balance in the blood.

Docosahexaenoic Acid (DHA): Essential for brain function development and maintenance, vision, and neurological health.

Calcium: An essential mineral for bone, muscle, and nerve health; contributes to cellular function and muscle contraction.

Potassium: Helps regulate fluid balance in the body, supports heart function, and enhances nerve transmission.

SUPPLEMENT FACTS

Serving Size: 2 capsules (1,000 mg)		Servings per container: 30
Medium composition	Amount per Serving	% Daily Value*
Calories	8.98
