

RECOMMENDED DOSAGE

2 capsules a day (preferably in the morning). Take with food for better absorption, it can be combined with probiotics, omega 3 or B complexes if you want to enhance the effect.

ABOUT THYR+

Support for the thyroid, immune system, stress management, and general hormonal balance, especially useful in cases such as subclinical hypothyroidism or thyroid autoimmunity (Hashimoto's).

BENEFITS:

- ✓ *Strengthens the immune system naturally.*
- ✓ *Supports thyroid function and metabolism.*
- ✓ *Promotes cardiovascular and antioxidant health.*
- ✓ *Improves physical and mental performance.*
- ✓ *Reduces stress and supports hormonal balance.*
- ✓ *Enhances optimal nutrient absorption.*

ADVANTAGES:

THYR+ offers multiple benefits by strengthening the immune system and supporting thyroid function, which contributes to improved energy and metabolism. In addition, its formula promotes physical and mental performance, while supporting cardiovascular health and helping to reduce stress and balance hormones. Finally, it enhances the absorption of nutrients for greater effectiveness.

¿POR QUÉ THYR+?

It is a comprehensive supplement that strengthens the immune system and supports thyroid function to improve energy and metabolism. In addition, it optimizes physical and mental performance, promotes cardiovascular and hormonal health, reduces stress and enhances the absorption of nutrients, promoting general well-being.

INGREDIENTS:

ECHINACEA POWDER: Strengthens the immune system, prevents colds and flu, supports respiratory health and has antiviral, antibacterial and antioxidant properties.

L-TYROSINE: Improves cognitive function and concentration, reduces stress and mental fatigue, and is essential for the production of thyroid hormones T3 and T4.

ASHAWANDA: Reduces stress and anxiety, improves energy and reduces fatigue, promotes sleep and brain function, and supports male and female hormonal health.

SELENIUM: Supports thyroid health, protects against inflammation and free radicals, is a powerful antioxidant, strengthens the immune system and cardiovascular health, and supports fertility and bone health.

VITAMIN D3: Supports bone health and prevents osteoporosis, strengthens the immune system, supports cardiovascular health, improves mood and regulates hormones, including the thyroid.

BLACK PEPPER: Improves nutrient absorption, has antioxidant and anti-inflammatory properties, improves metabolism and respiratory health, and has detoxifying and analgesic effects.

PLANT GARLIC POWDER: Promotes cardiovascular and brain health, has antimicrobial, antiviral and antioxidant properties, and supports body detoxification.

POTASSIUM IODIDE: Supports thyroid function, protects against radiation, supports metabolic health and female hormonal regulation, and promotes cardiovascular health.

VITAMIN C: Strengthens the immune system, is a powerful antioxidant, participates in the production of collagen, supports cardiovascular health and prevents respiratory diseases.

ELDER POWDER: Strengthens the immune system, has antioxidant and anti-inflammatory properties, supports respiratory health and can aid in weight loss.
